Mulberry Mews – An Exceptional Five-Bedroom Countryside Home

Welcome to 2 Mulberry Mews, an exquisite five-bedroom, three-storey residence within an exclusive gated development on the outskirts of Whitfield village, near Dover. Surrounded by sweeping countryside views, this home combines elegant design with modern comfort.

Inside, a bright entrance hallway leads to the heart of the home: a spacious open-plan kitchen, dining, and living area, perfect for family life and entertaining. The kitchen features shaker-style cabinetry, quartz worktops, a central island, and integrated appliances, while bi-fold doors open to the garden, framing spectacular countryside views. Underfloor heating has been installed throughout on the ground floor.

A separate utility room, dual-aspect reception room ideal for dining or quiet relaxation, cloakroom, and integrated garage with underfloor heating complete the ground floor.

Across the upper floors are five beautifully appointed bedrooms, including four doubles with ensembles and a further double bedroom served by a family bathroom. The luxurious master suite enjoys a walk-in wardrobe, dual-basin ensuite, and serene rural outlooks.

Every detail has been thoughtfully finished, from feature timber panelling and LED mirrors to heated towel rails, premium tiling, and modern flooring, creating a sense of effortless luxury.

Outside, the private rear garden offers generous lawn and patio areas enclosed by wooden fencing, ideal for relaxation or entertaining. An eco-efficient air source heat pump ensures sustainability and year-round comfort. The property also had underfloor heating on the ground floor.

Situated on the edge of Whitfield village, this exceptional home offers peaceful countryside living with excellent connections to Dover, Canterbury, Sandwich, and the A2/M2, with London just over an hour away.
