Discover the Local Area

St Stephens Park is just a short distance away from the idyllic seaside charms of Ramsgate, a town steeped in history with a Royal Harbour, beautiful gothic architecture, and a high street full of small businesses. Foodies will love the diverse range of culinary options available, from fresh seafood to authentic Japanese cuisine.

- The picturesque Royal Harbour Marina, the only one of its kind in the UK, is one of Ramsgate’s main attractions. The Marina can be viewed in all its glory as you drive down the hill from St. Stephens Park into the town.

Additionally, Ramsgate’s south-facing Main Sands beach is considered one of the best in East Kent. A plethora of coastal walks provides a delightful opportunity to explore the breathtaking scenery of the area.
- Families with children will find plenty to do in the vicinity, including indoor play areas, galleries, and parks. Ramsgate also offers selective grammar schools, as well as two other local secondary schools.

Commuters will appreciate the convenience of the high-speed train from the newly developed Thanet Parkway station, while good transport links provide easy access to other areas in Kent like Broadstairs, Margate, and Canterbury.
